Local Law No. 3 of the year 2020

A local law

(Insert Title)

~~to extend a previously-enacted moratorium on certain building construction.~~

Be it enacted by the Board of Trustees of the
(Name of Legislative Body)

County City Town Village
(Select one)

of Great Neck Plaza

as follows:

I. INTENT

The Board previously enacted Local Law 4 of 2019 to impose a moratorium on the issuance by the Village of conditional use permits, site plan approvals, permits of compliance and/or variances in connection with Large Residential Projects involving the construction of three or more additional dwelling units in certain buildings or structures in order to give the Village time to study and evaluate the impact of substantial recent developments within the Village on factors affecting the quality of life of Village residents, such as traffic, parking, crowding, the Village' physical appearance and the demand for public services. That moratorium, which was extended by Local Law 2 of 2020, is now due to expire on or about July 24, 2020. Due to the restrictions on commercial and business activities imposed since March 2020 by reason of the Covid-19 pandemic, as well as the alteration of normal patterns of Village activity (including but not limited to parking, traffic and crowding) and the diminution of Village resources resulting from the pandemic, the Village has not yet received the recommendations of the consultant it retained to assist in its study, has been unable to obtain accurate information relevant to its study and, as a result, has not been able to complete its evaluation. Therefore, in order to effectuate the purposes set forth in Local Law 4 of 2019 and in order to afford the Village additional time to complete its study and evaluation, the Board hereby finds that it will serve the public health, safety and welfare to extend the previously-enacted moratorium by four months.
